December 2023

(By the 2023 MGA Kindergarten class)

Welcome!

I am excited to present Mesa Grande Academy's new quarterly Alumni Newsletter.

For those of you who may not have seen my first alumni e-mail, I want to start by introducing myself. My name is Kelsie Ashlock and I am the new Development Director here at Mesa Grande Academy. I have a husband, Grant and 2 kids (a Kindergartner at MGA and a Preschooler at the MGA Children's Center). I am excited to be jumping into the MGA family not only as an employee, but also as a parent.

We have many plans in the works regarding both Alumni and Advancement and this newsletter is just the beginning. I hope you each have a very Merry Christmas and I look forward to speaking with and meeting many of you in the New Year. Feel free to reach out with any questions you may have.

Thank you!

What is NEW at MGA?

... and other exciting things happening around campus!

Did you know we now have a Children's Center?

The Mesa Grande Academy Children's Center opened at the beginning of the 2021 school year.

We currently have 29 students, 2-5 years old.

Our littlest students receive high quality, individualized care from loving teachers who set a foundation for kids by celebrating God's love through daily worship and a Christian curriculum. If you know someone who may be interested, or if you would like more information, please visit <https://mgachildrenscenter.org>.

Support MGA

Have you considered an end-of-the-year donation? A few of the projects that I would like to highlight are:

The High School Amphitheater Project

Help us finish this outdoor space where our high school students can meet and interact together.

Student Assistance Fund

This fund allows us to help families attend MGA who would not otherwise be able to afford it.
