Financial Policies and Procedures

Thank you for your interest in Mesa Grande Academy. Mesa Grande Academy's School Board attempts to keep the school's tuition and other charges as low as is consistent with good fiscal management. While the tuition payments do not cover our full operating costs, the Southeastern California Conference of Seventh-day Adventists and our Adventist Constituent Churches subsidize our operations. The MGA Board has adopted these policies and they reserve the right to make adjustments as economic conditions warrant. The annual tuition rate is billed over ten installments to help parents in their planning. MGA will not prorate tuition for prolonged absences, vacations or holidays when full academic credit is received.

New Students

- Visit mesagrandeacademy.org to complete the application.
- Pay the \$150 application fee
- Setup payment plan (Auto Pay or Invoice)

Continuous Enrollment

- Currently enrolled students are automatically enrolled for the next school year unless they state their intention to withdraw by March 1.
- A \$150 "Hold My Place" deposit will be assessed March 1 and applied to the student account on August 1.
- Parents will continue to use FACTS Parent Portal to access student information and finances.

Inclusive Tuition Plan

Mesa Grande Academy uses the Inclusive Constituent Tuition Plan that is due on the first day of each month.
